

GlobeSpot

There are 2 versions available of the GlobeSpot unit:

GPS – Antitheft and GPS Tracker

GPS – Antitheft

With theft of your vehicle and when you have an active subscription, you can count on the support of the GlobeSpot central 24h / 24h. Continuous tracking of your vehicle is possible and GlobeSpot can even contact the local police for you (in 38 countries).

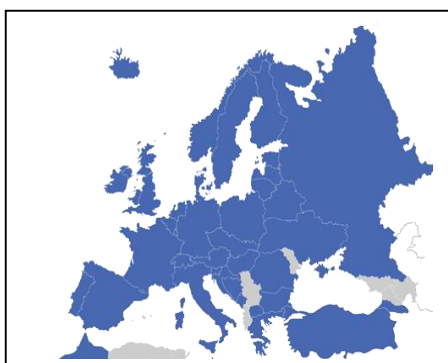

GPS – Tracker

Has all the functionalities of the GPS – Antitheft, but has also the possibility to see where the vehicle is at that moment, through the GlobeSpot website (www.globespot.com). Also showing the driven routes of the last 15 months can be seen. Locations and rides are visible on the map material of Google, including satellite and streetview.

GlobeSpot is Premium Partner of Google.

Both products work without extra costs in 38 countries, zie list on the back.
